

# Learning Agreement

Welcome to your Blue Water Scuba/PADI course! Diver training courses are meant to be fun and; like any form of learning, you'll need to invest some time and effort in reading and studying. This learning agreement is between you and Blue Water Scuba's instructional staff, regarding our mutual responsibilities in this program.

## STUDENT RESPONSIBILITIES:

The student agrees to study independently, as specified by the instructor. In general, this means that BEFORE each class session, you will need to:

1. Watch the appropriate assigned portion of the course video/DVD/CD ROM.
2. Read the appropriate, assigned section of the course manual and complete the exercise questions within the section.
3. Complete the appropriate, assigned Knowledge Review for each chapter and hand it in to your instructor.

In addition, you agree to:

1. Follow all course procedures as set forth by Blue Water Scuba.
2. Ask questions about anything not understood.
3. Show up for all sessions on time.

**If you fail to arrive on time and/or fail to complete and turn in assigned work, it may be necessary to make up the work and continue the class at a later date. The student will be responsible for any additional costs and/or inconveniences this causes.**

In scheduling and determining additional costs, Blue Water Scuba agrees to give every reasonable consideration to unforeseen events, such as family emergencies, that lead to this situation.

## BLUE WATER SCUBA INSTRUCTOR/STAFF RESPONSIBILITIES:

The course instructor and staff agree to:

1. Be ready to start the class at the scheduled time.
2. Provide a positive learning environment in which to master the course objectives.
3. Answer your questions to the best of their ability.
4. Assist you through learning challenges.

If you complete all course work as assigned, arrive for class promptly and follow directions for learning given by the instructor, Blue Water Scuba will do everything possible to solve any learning challenges. Course objectives must be met before you become certified. Blue Water Scuba will go out of its way to help make you a competent, successful and safe diver.
